

PROGRESS REPORT

India activities: progress report, 2025-08-01 to 2026-08-26

Edition of 2026-08-27 · compiled by Claude Opus from the documents in the Corpus repository

7 places. Every table below is carried verbatim from that place's own progress report; nothing is written here.

CHAD · LESOTHO · LIBYA · MOZAMBIQUE · NAMIBIA · RWANDA · ZAMBIA

Movement values. *Advanced* — a system entered service, a stage was completed or an instrument was made. *Stalled* — a stated target passed without delivery. *Regressed* — an instrument was withdrawn or neutralised, or a measured position worsened. *Closed* — the programme ended. *No change* — the position at both ends is the same. *Baseline not held* — the base carries no position at the start of the period, so no movement can be stated. A value may carry a qualifying clause after a comma, as in *Advanced, slipped*.

The place reports do not share one window; the period above is the range they span.

Chad

SYSTEM OR INSTRUMENT	AT 2025-08-01	AT 2026-08-25	MOVEMENT
Indian digital partnership	Talks only, with no memorandum	Still no memorandum or instrument on file	NO CHANGE

Lesotho

SYSTEM OR INSTRUMENT	AT 2025-08-01	AT 2026-08-26	MOVEMENT
Lesotho-India digital public infrastructure memorandum	Signed, naming digital ID, a unified payment environment and once-only information exchange as the year's three priorities	Unchanged; no deliverable, workstream or funding under it is on record	NO CHANGE

Libya

SYSTEM OR INSTRUMENT	AT 2025-08-01	AT 2026-08-25	MOVEMENT
Libya and India cooperation on AI and quantum skills	Did not exist	Agreed; no programme document or numbers published	ADVANCED

Mozambique

SYSTEM OR INSTRUMENT	AT 2025-08-01	AT 2026-08-26	MOVEMENT
India-Mozambique digital or technology cooperation agreement	Not held	An Information Technology Park delivered under an Indian concessional Line of Credit; the brief states no location, value or completion date for the park	ADVANCED

Namibia

SYSTEM OR INSTRUMENT	AT 2025-08-01	AT 2026-08-26	MOVEMENT
PARAM HPC cluster at NUST	Did not exist	A 5-node C-DAC PARAM HPC cluster (17.7 TF Rpeak, 5,320 cores, 480 GB memory, 100 TB storage plus 54 TB backup) specified for deployment at NUST, Windhoek, under the India-Namibia Centre of Excellence in Information Technology; no operator, cost or opening date is published, and this is a university research cluster, not a national facility	ADVANCED
India bilateral cybersecurity and digital-economy cooperation	Not held	Advanced at the fourth joint trade committee in New Delhi on 12 August 2026, building on a memorandum signed by the two heads of government in July 2025; bilateral trade is put at more than US\$592m in 2025/26	BASELINE NOT HELD

Rwanda

SYSTEM OR INSTRUMENT	AT 2025-08-01	AT 2026-08-26	MOVEMENT
Indian-origin technology investment	The capital listed among future edge data-centre sites within a continental plan, with no site, capacity, date or investment figure	Unchanged; nothing further held as at 2026-08-05	NO CHANGE

Zambia

SYSTEM OR INSTRUMENT	AT 2025-08-01	AT 2026-08-26	MOVEMENT
Edge data centre plan	The operator's chief executive listed Zambia, alongside four other countries, as a high-potential country where it will create data centres, describing them as future edge locations	Unchanged; no site, investment figure, capacity or date has been reported since	NO CHANGE

Figures are dated because most are time-varying: a figure carries the date it was true, not the date you are reading it. Where the base holds no reliable statement, the document says **Not held** rather than leaving a silence — those are counted, and listed at the end.

This is a dated edition and is not revised after publication. If a figure here has moved, the current edition will say so.
