Governance

Strategies, plans and policies

- **Côte d'Ivoire seeks responsible development of blockchain and digital assets** — TechReviewAfrica, 4 October 2026 CÔTE D'IVOIRE

Cote d'Ivoire's digital transition minister told an international seminar that the government wants blockchain and digital assets developed inside a secure regulatory framework. He named agriculture, financial transactions, land administration and the creative sector as possible uses and announced no instrument. *Also under [Innovation ecosystem](#).*

Legislation and regulation

- **Namibia strengthens digital trust** — Market Watch (Namibia Media Holdings), 4 October 2026 NAMIBIA
- Namibia's communications regulator launched DigiNam in Windhoek on 31 August as the public face of the national public key infrastructure, for which the regulator is root certification authority. It is meant to support electronic signatures, digital identity and authenticated online transactions under the Electronic Transactions Act of 2019. *Also under [Digital Identity and CRVS and Standards](#).*

Data protection

- **SHA to HMIS: How Kenya's rushed health digitisation exposes gaps** — People Daily, 4 October 2026 KENYA
- A commentary argues that Kenya is moving health facilities from the health insurer's provider portal to facility-owned information systems before the arrangement has been tested. It questions the pace, the cost to hospitals and the handling of patient data during the switch. *Also under [Sectoral management information systems](#) and [Public debate and participation in policymaking](#).*
- **L'Instance de Protection des Données à Caractère Personnel (IPDCP) et l'Autorité de Protection des Données Personnelles du Bénin (APDP) renforcent leur coopération à Lomé - IPDCP** — IPDCP Togo, 4 October 2026 BENIN TOGO
- Togo's data-protection authority hosted its Beninese counterpart in Lome on 2 and 3 October for a working session on sharing experience and building skills. It follows the Togolese authority's mission to Benin on 18 August and the two bodies' cooperation agreement. *Also under [Regional collaboration](#).*
- **Le Forum Chawki Gaddes dénonce la divulgation de données personnelles et appelle à protéger les mineurs** — Business News (Tunisia), 4 October 2026 TUNISIA

Tunisia's Forum Chawki Gaddes for digital rights condemned the spread on social media of personal and sensitive data, including leaked judicial documents and images of child victims. It says the national data-protection authority has stopped working although its law remains in force, and calls for it to be reactivated. *Also under [Public debate and participation in policymaking](#).*

- **DPC begins checks on data protection compliance** — Ghana News Agency, 4 October 2026

GHANA

Ghana's Data Protection Commission said it would begin spot checks and enforcement from 5 October against organisations that process personal data without registering or meeting the Data Protection Act, 2012. Its executive director said prosecution would follow where necessary.

- **Digital Payments Hit 3.1Billion, Fraud Complaints Drop 30%** — Taarifa Rwanda, 4 October 2026

RWANDA

Rwanda's prime minister said reported financial fraud complaints fell by about 30% in the second quarter of 2026 from 4,128 a year earlier. Digital transactions rose from about 256 million in 2017 to 3.1 billion in 2025, and he said phone-based fraud remains a problem. *Also under [Digital Payments and Fintech](#).*

- **Beyond "Humiliating": Ghana, the US Health Compact and the Work of Sovereignty - Nana Attobrah Quaicoe writes** — Citi Newsroom, 4 October 2026

GHANA

An opinion piece examines the Ghanaian cabinet's rejection of a proposed United States health compact worth about US\$109 million over five years. President Mahama said it would have required Ghana to hand over pathogen data and medical records; the author argues that refusing is only the start of the work of data sovereignty. *Also under [Digital sovereignty](#) and [US / hyperscaler activities](#).*

- **African diplomats in Cairo agree to develop African digital integration roadmap** — Ahram Online, 4 October 2026

EGYPT

AFRICA

Representatives of 11 African diplomatic missions in Cairo agreed to draft a joint Cairo Document for Trust and African Digital Integration. It is to set shared priorities on digital investment, digital trade, cybersecurity, data governance and emerging technologies. *Also under [Regional collaboration](#) and [Cybersecurity](#).*

Regional collaboration

- **Mobile money wallets set to link with PAPSS, opening access to African markets** — Capital Newspaper, 4 October 2026

ETHIOPIA

Ethiopia's non-bank mobile-money operators and payment-service providers are preparing to connect to the Pan-African Payment and Settlement System. Each needs a letter of no objection from the National Bank of Ethiopia first, and operators are weighing a direct connection against routing through EthSwitch or partner banks. *Also under [Digital Payments and Fintech](#).*

- **Liberia Studies Ghana's Payment Switch as It Expands Instant Transfers** — NewsGhana, 4 October 2026

LIBERIA

GHANA

The governor of the Central Bank of Liberia led a delegation to the Bank of Ghana on 1 October to study how Ghana set up its interbank payment and settlement company. Liberia is working to connect its banks to the instant payment system it switched on in December 2025. *Also under [Digital Payments and Fintech](#).*

- **CEMAC: Yvon Sana Bangui hace balance de la transformación del sistema bancario y financiero regional** — Oficina de Informacion y Prensa de Guinea Ecuatorial, 4 October 2026

CENTRAL AFRICA

The governor of the Bank of Central African States, closing the CEMAC Bankers' Days in Bangui on 3 October, set a goal that by the end of 2027 every transfer under CFA 5 million settles in under ten seconds on the region's interoperable instant payment system. He also cited a regional switch project and a central bank sovereign cloud to keep payment data in the region, and a 35% financial inclusion target for 2028. Also under [Digital Payments and Fintech](#) and [Data Storage](#).

- [L'Instance de Protection des Données à Caractère Personnel \(IPDCP\) et l'Autorité de Protection des Données Personnelles du Bénin \(APDP\) renforcent leur coopération à Lomé - IPDCP](#) — IPDCP Togo, 4 October 2026

ICT Infrastructure

Connectivity

- [NCC Issues Communiqué From Nigeria Digital Connectivity Investment Forum 2026](#) — Gentechnews, 4 October 2026

NIGERIA

Nigeria's communications regulator issued the communique of its Digital Connectivity Investment Forum, held in Abuja on 29 and 30 September with Swedfund and Ookla. It sets actions on timelines of six to twenty-four months, among them open-access and wholesale regulation, a wholesale rate card, completed broadband mapping and a first national connectivity index report. It records broadband penetration at 57.4% against a 70% target. Also under [Energy](#) and [Access to services](#).

- [More than 72,000 Telecel Ghana subscribers affected by double fibre cut in Central Region](#) — Ghana News Agency, 4 October 2026

GHANA

Two fibre cuts caused by road construction, on the Accra-Winneba and Winneba-Cape Coast routes, disrupted service to an estimated 72,754 Telecel Ghana subscribers on about 181 sites in the Central Region. The communications minister reported it on 3 October and said engineers were restoring service.

- **Econet InfraCo reports solid maiden half-year results after VFEX listing** — The Herald (Zimbabwe), 4 October 2026 ZIMBABWE

Econet InfraCo, the tower, power and property company listed in Victoria Falls, reported revenue of US\$70.1 million and EBITDA of US\$29.0 million for the six months to 31 August 2026, its first half-year results since listing. Also under [Energy](#) and [AI](#).

Data Storage

- **Split-cloud architecture puts Nigerian banks under new pressure** — BusinessDay (Nigeria), 4 October 2026

NIGERIA

Nigerian banks and large fintechs face the central bank's 1 January 2027 deadline for storing payment transaction data in the country. Cloud providers say some may keep applications on foreign clouds and host the regulated data locally, an arrangement the central bank has not ruled on. Also under [Digital sovereignty](#) and [Digital Payments and Fintech](#).

- **Akbou Inaugurates Nation's First 100% Sovereign Data Center** — DZWatch, 4 October 2026

ALGERIA

Algeria inaugurated I-Cloud, described as its first wholly sovereign data centre, in the Akbou industrial zone in Bejaia. The knowledge economy minister presided, and agreements were signed with local industrialists and Algeria Venture on small firms' access to it; the inauguration date and capacity are not stated. Also under [Digital sovereignty](#).

Digital Payments and Fintech

- **Finance Ministry Signs SMS Service Agreement with Zain Telecommunications** — Sudan Horizon, 4 October 2026 SUDAN
Sudan's finance ministry signed an agreement with Zain in Khartoum on 4 October for text-message services on Eisali, the state electronic collection and payment system. Users are to be told the status of each transaction as it is registered, updated or completed. *Also under [Other GovTech and e-Gov](#).*
- **CBUAE, Bank Al-Maghrib sign two MoUs to strengthen supervisory cooperation, Islamic finance** — Eye of Riyadh, 4 October 2026 MOROCCO
Bank Al-Maghrib and the Central Bank of the UAE signed two memoranda in Abu Dhabi. One covers supervisory information exchange and Islamic finance; the other is to explore linking the two countries' instant payment platforms, card switches and financial messaging systems, and to exchange expertise on central bank digital currencies. *Also under [Gulf/UAE activities](#).*

- [تعاون دولي لدعم التحول الرقمي في السودان](#) — سودا نيوز, 4 October 2026

SUDAN

Sudan's foreign ministry undersecretary met the UN under-secretary-general for economic and social affairs in New York and briefed him on the economy, financial reform and reconstruction. The report names support for Sudan's digital transformation as a subject of cooperation and states no agreement or programme.

- ["قطاع النظم" يضع الكهرباء في أزمة بسبب شكاوى المواطنين من توقف الخدمات](#) — Youm7, 4 October 2026

EGYPT

Egypt's electricity distribution companies lost sight of citizens' service requests after the holding company's systems sector replaced the unified e-services platform with an untested system and switched the old one off, a ministry source told Youm7. The minister ordered the fault fixed and those responsible held to account.
