CHINA-BOTSWANA COMPREHENSIVE STRATEGIC PARTNERSHIP JOINT STATEMENT

- 中华人民共和国和博茨瓦纳共和国关于建立全面战略合作伙伴关系的联合声明 — Embassy of the People's Republic of China in Tanzania (republishing the China-Botswana joint statement), 13 October 2026

  China and Botswana raised relations to a comprehensive strategic partnership in a joint statement issued during President Duma Boko's state visit. It affirms digital sovereignty and each state's right to choose its own path on artificial intelligence; Botswana joins China's digital economy trade-cooperation initiative and will consider joining the World AI Cooperation Organization.

HUAWEI COOPERATION AGREEMENT ON DIGITAL TRANSFORMATION

- **Huawei critical partner in digital transformation** — Botswana Daily News (BOPA), 14 October 2026

  Botswana signed a cooperation agreement on digital transformation with Huawei at the company's Beijing Research Institute on 13 October 2026, during President Duma Boko's state visit to China. It covers cloud hosting of government data, smart education, telemedicine and AI-powered public security for the police. No value is stated.

Djibouti

TALKS WITH HUAWEI ON DIGITAL INFRASTRUCTURE

- **Djibouti échange avec Huawei sur le développement de ses infrastructures numériques** — wearetech.africa, 17 September 2026

  Djibouti discussed the development of its digital infrastructure with Huawei, against its position on the telecommunications routes linking Africa, Asia and the Middle East and its stated ambition to become a regional digital hub. No agreement or project has been published.

Egypt

EGYPT-CHINA MEMORANDUM ON TECHNOLOGICAL AND DIGITAL COOPERATION

- **مصر تشعل سباق مراكز بيانات الذكاء الاصطناعي بين واشنطن وبكين.. وخبراء مصر أمام فرصة ذهبية** — النهار (Al-Nahar Egypt), 20 September 2026

> Egypt's communications minister, Raafat Hindy, signed a memorandum with China on cloud computing, data centres, semiconductors and cybersecurity during President Xi Jinping's visit, and then received a US data-centre consortium. Huawei had earlier offered to build AI data centres using 1,408 Ascend 950 chips within 12 months; Nvidia, AMD and Microsoft have formed a rival US bid.

Gambia

> GAMBIA-GUIZHOU DATA COOPERATION INITIATIVES

- **Ambassador Kah delivers keynote address at China's Big Data Expo 2026, secures landmark cooperation with Guizhou University** — The Point, 4 September 2026

  The Gambia's ambassador in Geneva, Muhammadou Kah, vice-chair of the UN Commission on Science and Technology for Development, gave a keynote at China's Big Data Expo in Guiyang on 28 August 2026. The next day at Guizhou University he announced plans for a Gambian national data laboratory, a UN research centre in Guizhou, scholarships and a joint summer school. No funding is stated.

Togo

> CHINESE DIGITAL OR TECHNOLOGY COOPERATION INSTRUMENT

- **Togo-Chine : une douzaine d'accords multisectoriels signés à Pékin pour renforcer le partenariat bilatéral** — Présidence du Conseil (Togo), 16 October 2026

  Togo and China signed thirteen agreements and memoranda in Beijing on 15 October 2026, two days after raising relations to a 'China-Togo community with a shared future for the new era'. They include cooperation on digital commerce and supply chains, an Authorised Economic Operator protocol between Togo's revenue office and Chinese customs, China Media Group partnerships with Télévision togolaise and partial cancellation of Togo's debt; a separate memorandum covers China's Global Security Initiative.

- **Togo Signs Huawei Agreement to Modernize Energy, Transport and Customs** — Togo First, 19 October 2026

  Togo and Huawei signed a memorandum of understanding in Shenzhen on 16 October 2026 covering energy, smart transport and smart customs systems. It includes technology transfer and local skills development, and was signed during Council President Faure Gnassingbé's visit to China from 9 to 16 October. No value was given.
