Strategies, plans and policies

- **Intelligence artificielle en entreprise : à Abidjan, les experts appellent à encadrer les usages** — Linfodrome, 1 November 2026 CÔTE D'IVOIRE

  An official of Côte d'Ivoire's Ministry of Digital Transition said on 27 October 2026 that the ministry is drafting a text to regulate the use of artificial intelligence. He said it would complement the existing personal-data protection rules. No draft or timetable was given. *Also under AI and Data protection.*

- **African Union Calls for AI Threats and Online Abuse of Women to Be Built Into Peace and Security Plans - iAfrica.com** — iAfrica.com, 1 November 2026 AFRICA

  African Union envoys called at a New York dialogue during WPS Week 2026 for AI-driven threats and online abuse of women to be written into national Women, Peace and Security action plans. Ambassador Liberata Mulamula set out four priorities, including early warning and survivor-centred accountability. No mechanism, timeline or funding was announced. *Also under AI and Regional collaboration.*

Legislation and regulation

- **اتصالات النواب: حذف 80 مليون محتوى غير لائق من منصة تواصل خلال 3 أشهر** — Youm7, 1 November 2026 EGYPT

  Ahmed Badawi chairs the House communications committee. He said on 1 November 2026 that parliament is preparing a digital safety bill with heavier penalties for online crimes. He said one large platform had removed 80 million items of content in three months at the state's request. The media regulator now requires global apps to keep a legal representative in Egypt. TikTok has complied, he said. *Also under Cybersecurity.*

- **NIA Taskforce launches nationwide crackdown on Ghana card photocopying from November 2** — Graphic Online, 1 November 2026 GHANA

  Ghana's National Identification Authority began nationwide enforcement of L.I. 2523 on 2 November 2026 through a Biometric Verification Taskforce. Photocopying or visually inspecting a Ghana Card for a transaction is now an offence; institutions must verify through the authority's verification platform. Fines run from GH¢6,000 to GH¢24,000 for organisations and GH¢600 to GH¢6,000 for individuals. *Also under Digital Identity and CRVS.*

- **Cloud Innovation Statement on AFRINIC Member Rights** — Cloud Innovation, 1 November 2026 MAURITIUS AFRICA

  Cloud Innovation rejected AFRINIC's demand, made through the receiver's notice of 29 October 2026, to remove it from the company register. It cites a Mauritius Supreme Court order of 11 June 2025 directing AFRINIC to record it as a member. It asks that every resource member be entered in the register with the rights company law gives members. *Also under Regional collaboration.*
